## Transfers

Participants are allowed to submit one transfer request (whether electronically, by fax, mail or hand delivered) for their current account balances every 7 days. This applies separately to each plan in which they participate — the 401(k), 457, Roth IRA and traditional IRA each constituting separate plans. In addition, individuals who transfer any or all of their current account between core investment options more often than once every 30 days will be charged a 2% administrative fee on amounts transferred. Each transfer, after being processed, will start a new 30-day period. The fees generated by this policy will be used to reduce the administrative expenses for all plan participants.

Transfer requests received at URS before the close of the New York Stock Exchange (NYSE), generally 2:00 pm Mountain Time, will be transferred using that evening's closing market values. Requests received after the close of the NYSE will be transferred using the next business day's closing market values. On days of unusually heavy transfer activity, computer system failure, or other unforeseen circumstances, URS reserves the right to process transfers using the next available business day's closing market values.

† Administrative and management fees have been deducted from the returns shown on the reverse side. An annual account maintenance fee of \$15 will be assessed to inactive participant accounts with combined savings plan balances of less than \$5,000.
