

An Exclusive Benefit for URS Members

PEHP Medicare Supplement can reduce medical costs in retirement.

As a URS member, you and your spouse are eligible for PEHP Medicare Supplement at age 65.

Here are just some of the ways PEHP Medicare Supplement is your best option:

- » Some Medicare Supplement plans charge more as you get older. With PEHP, your premium won't increase based on your age.
- » You don't have to worry about mailing in the monthly payment. PEHP premiums can be deducted from your URS retirement check.
- » The PEHP plan gives you coverage out-of-state and out-of-country.

Consider this outstanding, convenient plan. It's another way PEHP is serving the employees who serve — and those who have served — Utah!

Under age 65? Don't assume you have medical coverage after retiring. Check with your employer to learn your options. As you approach 65, consider PEHP's unique Medicare Supplement plan.
